## OUR STORY

Spanky's Speakeasy has been a Naples landmark since 1984. Known for its Southern charm and family atmosphere, Spanky's stands alone from the crowd by giving you a dining experience among hundreds of antiques and collectables, vintage signs, and gas pumps! We love to see guests enjoy our extravagant soup and salad bar in the back of a 1924 Ford Model T.

After taking ownership in May of 2015, Ted Monty and Emily Hatcher take pride in continuing the traditions that Spanky's is known for. Some of the changes we have made include upgrading our beef products to Certified Angus. We also offer fresh, local seafood and providing you with the best quality produce at an exceptional value. We take pride in buying products made in the USA and supporting our local distributors. When you walk into Spanky's you're considered part of the "gang!"

We look forward to serving you!
